

# Distracted Driving Awareness Month

Thousands die needlessly each year because people continue to use their cell phones while driving, handheld or hands-free. Join the National Safety Council this April in urging those you care about to:

- Stop using cell phones while driving
- Recognize that hands-free devices offer no safety benefit
- Understand the dangers of the cognitive distraction to the brain
- Tell others about the dangers of cell phone distracted driving

Through the National safety Council's website you can download the 2014 campaign materials, including:

- Hands-free Myth Buster fact sheet
- Cell phone distracted driving Family Contract
- It's still risky poster
- When technology is a problem - not a solution poster
- You can't do either of these well... poster
