

Who will speak for you if you
can't speak for yourself?

Deutsches Altenheim Presents National Healthcare Decisions Day

Do you know what healthcare treatments you would want if you could not speak for yourself? Do other people know what your wishes are? Now is the time to gather information about: treatment options, thinking about your values, talking about your decisions and documenting your wishes. Deutsches Altenheim has the tools to help. Please join us on **Tuesday, April 19**, from 11am to 3pm, in the lobby of German Centre for Extended Care, for a free consultation on making these important decisions. Deutsches Altenheim is located at 2222 Centre Street, West Roxbury. For more information, contact Mary Ellen Walsh, Director of Social Services at 617-390-3240 or mewalsh@germancentre.org.
